

Welcome to the team as

Internship - Equity Markets and Commodities - Junior Sales (German Speaker)

London

Task:

We give you the opportunity to dive into the most advanced area of financial markets: Derivatives. Our people are ambitious, focused and self-motivated individuals with strong minds, ready to rise to a professional challenge.

Corporate Clients is the investment banking arm of Commerzbank. We provide a high level of expertise and offer a wide spectrum of investment opportunities to our clients worldwide [Private Banks, Wealth Managers], such as notes and certificates, equities, commodities, fixed income, Credit Default Swaps etc.

Your role will be a key part within the "Private Bank Sales Team", where you will have the opportunity to:

- Become a client's trusted advisor: working in response to their needs but also proactively marketing ideas and selling to professional clients such as banks, asset managers and financial intermediaries and all financial products across equity, fixed income, bonds, derivatives and other types of structured notes
- Identify new business opportunities and obtaining the required tools to execute your sales strategies

Profile:

- Currently studying towards a Masters degree or recently graduated within the last 12 months in Finance, Business Administration, Economics or Financial Mathematics
- Have achieved a minimum of 2.1 UK Bachelors degree (or equivalent), minimum of 320 UCAS points (or equivalent)
- Basic knowledge and interest in derivative products and global capital markets
- Analytical thinking and accuracy in all tasks
- Exceptional communication skills
- Fluent in English and German , more languages highly appreciated
- Have the right to live and work in the UK

Company

With approximately 1,000 branches Commerzbank has one of the densest branch networks among German private banks. In total, Commerzbank serves more than 17.5 million private and small business customers, as well as more than 60,000 corporate clients, multinationals, financial service providers and institutional clients. In 2016, it generated gross revenues of 9.4 billion Euros with approximately 49,900 employees.
