COURSE CATALOG

On these pages, you will find the public course catalog of the University of Hamburg. You have access to all publicly visible courses of all faculties, as well as the cross-institutional facilities of the university. All sections of the course catalog are continuously updated, so you can check for any additions or changes at any time.

Important Notice

The new course catalogs are published each year on February 1st for the summer semester and on August 1st for the winter semester. If these dates fall on a weekend, the publication may be delayed until the following business day.

Allgemeine Hinweise:

Dear students of the Master's program M.Sc. Business Administration,

As part of the Master's program, you are required to select two **specialization subjects** before you can register for modules within those areas.

If you are in your first semester during the Winter Semester 2025/26, you will be able to choose your specializations and courses starting October 6, 2025.

The selection of your specializations is done via the menu item "**Studying → Electives**". It is essential that you save this selection.

You can then directly register for your specialization modules through "Studying → Register for courses and modules".

JOIN US:

The **Welcome Day** for all first semester students will take place on Monday, October 6, 2025!

For further dates and information, please visit: <https://www.bwl.uni-hamburg.de/studium/master-studiengaenge/master-of-science-bwl/erstsemester.html>
