

Internship Master Thesis as Project Specialist Supply (S&OP)

About BSN medical – An Essity company

BSN medical is a global leader in wound care & related vascular diseases, lymphology and non-invasive orthopaedic products. BSN aims to provide an integrated therapy-driven approach – grounded in a broad portfolio of products, enhanced by insights into current therapeutic areas and complemented by a progressive approach to partnerships.

Its well-known brands such as Leukoplast®, Cutimed®, JOBST®, Delta Cast®, Delta Lite® and Actimove® are among the most trusted in healthcare. With its comprehensive product portfolio, BSN medical addresses patients' needs in the most prevalent conditions in wound care and vascular diseases and orthopaedic treatments.

BSN medical has been acquired by Essity AB (former SCA) in April 2017.
